PEARLS OF PROMISE FOUNDATION

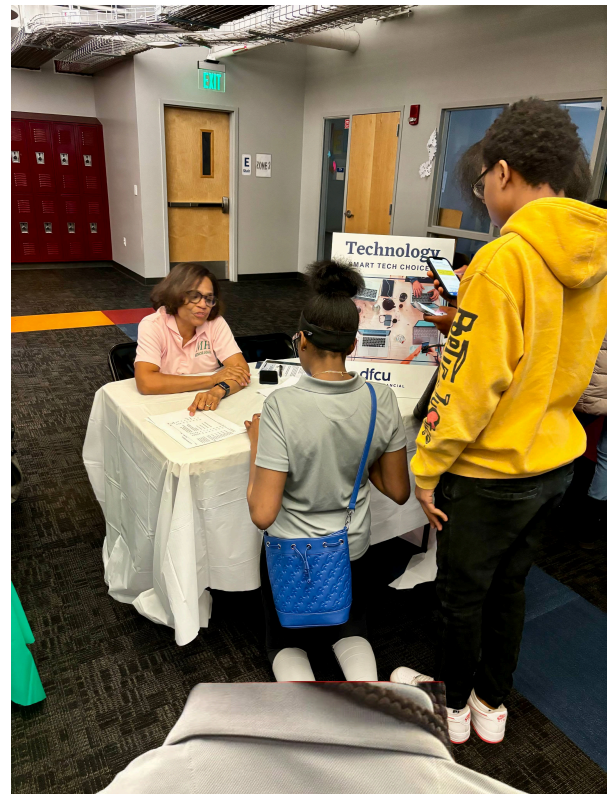

MINOR HALL

Empowerment and Community

The January weather forced the committee to pivot its plans. Fortunately, that did not stop the committee from meeting its commitment of community service. **The committee members packed lunches for ChristNet Services. Members of Alpha Kappa Alpha Sorority, Inc., Xi Phi Chapter delivered and served lunches in support of Minor Hall.**

In February, at the Youth Financial Literacy Reality Bite Fair, the participants had the educational opportunity to **experience the Reality Bite app and were educated on personal budgeting, financial management and how to utilize their knowledge to effectively manage their future households.** The session was facilitated in partnership with DFCU Financial and with B. Legacy Solutions, a Detroit-based agency that provides financial coaching.

IVYLETTES

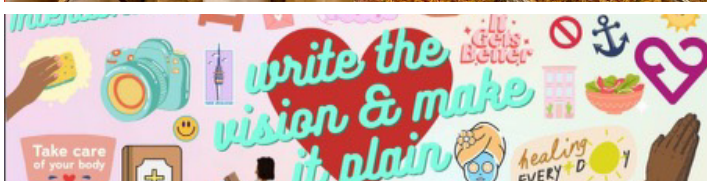

A Culture of Sisterhood

In January, Ivylettes met virtually to create vision boards and discussed what they're embracing and releasing for the new year. The Ivylettes also discussed scholarship opportunities and had break out committee meetings to plan upcoming events such as the Green and White ball, the Ivylette retreat and community service.

In February, the Ivylette Retreat focused on sisterly relations, games, glamour and self-care. The weekend ended with the first Green and White ball rehearsal.

Sponsorship is available for the Ivylette members. There are a few participants who are in need of support. **For sponsorship and support, contact Shantel Ross at shantelakaross@gmail.com or by phone at 313-930-5465.**
